

The Rapid Response Duffel Locker is designed to meet the needs of first responders for the secure and economical storage of their gear. Whether called to action or waiting for their return, these lockers will keep users' belongings and gear safe and ready for that critical first response.

Diamond Perforations

- True fully framed construction offers better rigidity
- Offered in both Knockdown or Welded construction
- 24, 30 and 36 inch widths available
- 24 inches deep
- 72 inches high
- Ultra Cremone Recessed Handles on all tiers for a safer, cleaner look and less freight damage
- Available in 2 Tier, 3 Tier and 4 Tier
- 4 or 6 inch high Channel Base available on both Knockdown and Welded versions

- Individually locked compartments for quick user access
- Ease of quoting and ordering
- Sized to fit pre-loaded and oversized duffel bags, backpacks, and cases
- Rigid frame design does not require large frame members at top and bottom of locker resulting in more storage space inside the locker

Locker Shell Ordering Guide

1	ALL RRDL lockers are Double Door ONLY with Ultra Cremone Recessed Handle
2	Both Knockdown and Welded RRDL lockers are available with Channel Base (order channel base separately for KD)
3	ALL RRDL lockers are 1 Wide
4	RRDL do not come with any internal components (NO coat rod, NO hooks)
5	ONLY the RRDL will have indicators of what tier is available

Patriot RRDL - Welded Locker Part Number Identification Matrix
