As with all built-in combination locks, orders for Penco PN 9701 must be accompanied by an end-user data sheet. Not doing so will delay delivery of the lock portion of your order. Freight is free on orders for 165 or more PN 9701 built-in combination locks drop-shipping from Zephyr. On smaller orders, freight charges will be added to your invoice.

All lock items shipping from Penco warehouse locations will be shipped loose for installation on the lockers after delivery. Locks are not installed on assembled locker orders.
