Production Orders

IMPORTANT NOTES:

Add **ONE WEEK** to production lead times shown:

If ordering **ASSEMBLED LOCKERS**.

If **specifying an optional feature or features** (as described in the Locker Price Book).

Add **TWO WEEKS** for any order that:

Has a Special Price Inquiry (SPI) as part of the project.

Drawings For Approval (DFA) Process lead times:

Allow 2 weeks from receipt of a new order for submittal of drawings. Allow an additional week for any revision and resubmittal of drawings.

Add 2 weeks to the standard published lead time of that product line after the release of the order to production.

***These dates are based on complete and accurate information being provided to Penco.**

For orders to ship FOB Hamilton, NC 27840

(All Distributors in States EXCEPT the 13 western states listed below)

Products	Production Lead Times
KD Lockers, all types (Vanguard™, Guardian™, Invincible™, Stadium KD, and Patriot KD)	9-10 Weeks
Two-Person & Duplex Lockers, KD	10-11 Weeks
Welded Lockers, all types (Welded Gen2, Patriot Fully Framed Line)*	10-11 weeks
